

Event: Niels Brock

Dear Members and Guests,

On Tuesday 22 November, Nordcham Hanoi would like to invite members and guests to an inspiring presentation and discussion on how to ensure, not only a better education in Vietnam, but also how we can have better possibilities for training and educating our staff further after employment.

Director, Anya Eskildsen from Niels Brock - Copenhagen Business College will facilitate the discussion after giving a presentation on the activities that Niels Brock has started in Vietnam already, and their future plans for expanding the delivery of high-quality training in Vietnam. It is an exciting quest that Niels Brock has set-up, but with years of experience from China, they seem well prepared for what lies ahead in Vietnam. For Scandinavian companies in Hanoi there lies several opportunities in going into a collaboration with the students that Niels Brock is educating here in Vietnam.

For all companies that are serious about recruiting well-educated staff and not least building capacity within their organizations and individual employees, this is a must join event. The event will take place as a lunch-on event:

Tuesday 22 November from 11.30 am to 13.00 pm. Press Club, 59A Ly Thai To Street

Ticket price is VND 300,000 including lunch and drink (each Nordcham Hanoi member get one free ticket). Payment is done at the entrance

PLEASE SIGN UP NO LATER THAN THIS FRIDAY 18 NOVEMBER - BY REPLYING TO THIS EMAIL OR SECRETARIAT@NORDCHAMHN.ORG.VN

We do encourage that you also invite your HR Managers to join this event - and do feel free to share the invitation with your network.

We hope to see many of you there.

Best regards,
Nordcham Secretariat
